Notes:

- The above Un-Audited quarterly/year to date Financial Results for the period ended 30.09.2020 were reviewed by the Audit Committee and approved by the Board of Directors at its meeting held on 13th November, 2020. Further the statutory auditors have performed the "Limited Review" of the above Un-Audited Financial Results for the quarter/half year ended 30th September 2020 and their opinion is not modified.
- The Company has prepared the Consolidated & Standalone Financial Results in accordance with the Companies (Indian Accounting Standards) Rules, 2015 prescribed under Section 133 of the Companies Act, 2013 and accordingly the Revenue from Contracts with Customers* are arrived as per Ind AS 115.
- The Company has adopted Equity Method of Accounting while Consolidating the Financial Results of its Joint Venture Company M/s. SAA & Suditi Retail Pvt. Ltd. as per Ind AS - 28 "Investments in Associates and Joint Ventures". In terms of the Joint Venture agreement executed by the Company with Project Anushka Sharma Lifestyles Pvt. Ltd., the Company has recognized the loss fully in the financial results of Suditi Industries Ltd in the Consolidated Financial Statements.
- In accordance with Ind AS 108 "Operating Segments", the Company has only one reportable Primary Business segment viz. Hosiery Fabrics and Garments. The Geographical segment reported earlier under Export as well as Domestic are now not reported as the exports are insignificant. Further, the Company does not have separate identifiable bifurcation of Assets as the entire operations are undertaken for Hosiery Fabric/Garments only.
- The subsidiary company, M/s. Suditi Sports Apparel Limited, is yet to commence the business activities. However the company has started the necessary process to start the operations and the company will be starting the garment manufacturing and selling activities under the various license agreements executed by the company with renowned sports clubs and entities. The delay in commencing the activities is mainly due to the impact of the COVID 19 pandemic. The results are prepared on going concern basis.
- The other subsidiary M/s. Suditi Design Studio Limited even though has commenced the business in full swing from 2015-16, in view of the prevailing pandemic situation the operations during the year continues to be adversely affected. Considering the economic situation prevailing in the country and the slump prevailing in the retail sector, the present loss incurred by the company is not taken as a yardstick to measure the financial strength of the company by the management. Accordingly the results are prepared on going concern basis.
- The joint venture company M/s. SAA & Suditi Retail Pvt. Ltd. has prepared the financial results on a going concern basis as the company has a strong vibrant brand supported by the company promoted by the celebrity Ms. Anushka Sharma and her family and also M/s. Suditi Industries Limited an established quality fabric and garment manufacturer. Hence the present conditions are not considered by the management as a yardstick to measure the financial strength of the company and results are prepared on going concern basis.
- The board has adopted the Directors Report to the shareholders for the financial year 2019-20 as well as the notice calling the 29th. Annual General Meeting to be held on 30th. December 2020 through VC/OAVM.
- The Groups operations and consolidated financial results for the half year ended September 30, 2020 have been adversely impacted by the outbreak of COVID-19 pandemic and the consequent lockdown announced by the Government, due to which the operations were suspended for a large part of the quarter ended June 30, 2020 and resumed only gradually with prescribed regulations and precautions. The consolidated financial results for the quarter ended June 30, 2020 and half year ended September 30, 2020 are therefore not comparable with those of previous periods. Towards the end of quarter ended June 30, 2020, many of these restrictions were gradually relaxed by the Government and production activity gradually resumed during the second quarter with prescribed regulations and precautions. The Group has considered the possible effects that may result from the pandemic relating to COVID-19 on the carrying amounts of receivables, unbilled revenues etc. In developing the assumptions relating to the possible future uncertainties in the global economic conditions because of this pandemic, the Group, as at the date of approval of these consolidated financial results has used internal and external sources of information including credit reports and related information, economic forecasts and consensus estimates from market sources on the expected future demand of its products. The Group has performed analysis on the assumptions used and based on current estimates expects the carrying amount of these assets will be recovered. However, given the effect of the pandemic on the overall economic activities globally and in particular the region where the Group operates and in particular on the domestic textile industry, the impact assessment of COVID-19 on the abovementioned consolidated financial results is subject to significant estimation, uncertainties given its nature and duration and, accordingly, the actual impact in future may be different from those estimated as at the date of approval of these consolidated financial results. The Group will continue to monitor any material changes to future economic conditions and consequential impact on its consolidated financial results.
- The Code on Social Security 2020 (Code), which received the Presidential Assent on 28th September 2020, subsumes nine laws relating to social security, retirement and employee benefits, including the Employees Provident Fund and Miscellaneous Provisions Act, 1952 and the Payment of Gratuity Act, 1972. The impact of the changes, if any, will be assessed and recognized post notification of the relevant provision.

Notes:

- The above Un-Audited quarterly/year to date Financial Results for the period ended 30.09.2020 were reviewed by the Audit Committee and approved by the Board of Directors at its meeting held on 13th November, 2020. Further the statutory auditors have performed the "Limited Review" of the above Un-Audited Financial Results for the quarter/half year ended 30th September 2020 and their opinion is not modified.
- The Company has prepared the Consolidated & Standalone Financial Results in accordance with the Companies (Indian Accounting Standards) Rules, 2015 prescribed under Section 133 of the Companies Act, 2013 and accordingly the Revenue from Contracts with Customers" are arrived as per Ind AS 115.
- The Company has adopted Equity Method of Accounting while Consolidating the Financial Results of its Joint Venture Company M/s. SAA & Suditi Retail Pvt. Ltd. as per Ind AS - 28 "Investments in Associates and Joint Ventures". In terms of the Joint Venture agreement executed by the Company with Project Anushka Sharma Lifestyles Pvt. Ltd., the Company has recognized the loss fully in the financial results of Suditi Industries Ltd in the Consolidated Financial Statements.
- In accordance with Ind AS 108 "Operating Segments", the Company has only one reportable Primary Business segment viz. Hosiery Fabrics and Garments. The Geographical segment reported earlier under Export as well as Domestic are now not reported as the exports are insignificant. Further, the Company does not have separate identifiable bifurcation of Assets as the entire operations are undertaken for Hosiery Fabric/Garments only.
- The subsidiary company, M/s. Suditi Sports Apparel Limited, is yet to commence the business activities. However the company has started the necessary process to start the operations and the company will be starting the garment manufacturing and selling activities under the various license agreements executed by the company with renowned sports clubs and entities. The delay in commencing the activities is mainly due to the impact of the COVID 19 pandemic. The results are prepared on going concern basis.
- The other subsidiary M/s. Suditi Design Studio Limited even though has commenced the business in full swing from 2015-16, in view of the prevailing pandemic situation the operations during the year continues to be adversely affected. Considering the economic situation prevailing in the country and the slump prevailing in the retail sector, the present loss incurred by the company is not taken as a yardstick to measure the financial strength of the company by the management. Accordingly the results are prepared on going concern basis.
- The joint venture company M/s. SAA & Suditi Retail Pvt. Ltd. has prepared the financial results on a going concern basis as the company has a strong vibrant brand supported by the company promoted by the celebrity Ms. Anushka Sharma and her family and also M/s. Suditi Industries Limited an established quality fabric and garment manufacturer. Hence the present conditions are not considered by the management as a yardstick to measure the financial strength of the company and results are prepared on going concern basis.
- The board has adopted the Directors Report to the shareholders for the financial year 2019-20 as well as the notice calling the 29th. Annual General Meeting to be held on 30th. December 2020 through VC/OAVM.
- The Group's operations and consolidated financial results for the half year ended September 30, 2020 have been adversely impacted by the outbreak of COVID-19 pandemic and the consequent lockdown announced by the Government. Due to which the operations were suspended for a large part of the quarter ended June 30, 2020 and resumed only gradually with prescribed regulations and precautions. The consolidated financial results for the quarter ended June 30, 2020 and half year ended September 30, 2020 are therefore not comparable with those of previous periods. Towards the end of quarter ended June 30, 2020, many of these restrictions were gradually relaxed by the Government and production activity gradually resumed during the second quarter with prescribed regulations and precautions. The Group has considered the possible effects that may result from the pandemic relating to COVID-19 on the carrying amounts of receivables, unbilled revenues etc. In developing the assumptions relating to the possible future uncertainties in the global economic conditions because of this pandemic, the Group, as at the date of approval of these consolidated financial results has used internal and external sources of information including credit reports and related information, economic forecasts and consensus estimates from market sources on the expected future demand of its products. The Group has performed analysis on the assumptions used and based on current estimates expects the carrying amount of these assets will be recovered. However, given the effect of the pandemic on the overall economic activities globally and in particular the region where the Group operates and in particular on the domestic textile industry, the impact assessment of COVID-19 on the abovementioned consolidated financial results is subject to significant estimation, uncertainties given its nature and duration and, accordingly, the actual impact in future may be different from those estimated as at the date of approval of these consolidated financial results. The Group will continue to monitor any material changes to future economic conditions and consequential impact on its consolidated financial results.
- The Code on Social Security 2020 (Code), which received the Presidential Assent on 28th September 2020, subsumes nine laws relating to social security, retirement and employee benefits, including the Employees Provident Fund and Miscellaneous Provisions Act, 1952 and the Payment of Gratuity Act, 1972. The effective date of the Code is yet to be notified and related rules are yet to be framed. The impact of the changes, if any, will be assessed and recognized post notification of the relevant provisions.
- This Statement is as per Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as modified by Circular CIR/CFD/FAC/62/2016 dt.05.07.2016.
- The figures are re-grouped/ re-arranged and re-classified wherever necessary. The above is an extract of the detailed format of the Financial Results filed with BSE Limited under Regulation 33 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. The Full format of the Results are available on the website of the Stock Exchange (www.bseindia.com) and the Company's website (www.suditi.in).
