Ref. No. 2022/05/023/R

INDEPENDENT AUDITOR'S REPORT

To The Members of
SUDITI DESIGN STUDIO LIMITED

Report on the Audit of Standalone Financial Statements

Opinion

We have audited the standalone financial statements of **Suditi Design Studio Limited** ("the Company"), which comprise the Balance Sheet as at 31st March 2022, and the Statement of Profit and Loss (including other comprehensive income), Statement of Changes in Equity and Statement of Cash flows for the year then ended, notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, of the "loss", changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the *Code of Ethics* issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules issued thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Material Uncertainty Related to Going Concern

We draw attention to Note 38 in the financial statements, which states that for the last 3 years the Company has incurred continuous losses; its net worth has been fully eroded and its current liabilities exceeded its current assets as at the Balance Sheet date. As stated in Note 38, these events or conditions, along with other matters as set forth in the Note, indicate that a material uncertainty exists that may cast significant doubt on the company's ability to continue as a going concern. However, as stated in the Note, the company has received an assurance of continued long-term support from the parent company, basis which the financial statements of the Company have been prepared on a going concern basis.

Our opinion is not modified in respect of this matter.

Emphasis of Matter

We draw attention to Note 39, which describes the effects of uncertainties relating to Covid-19 pandemic outbreak on the Company's operations and management's evaluation of its impact on the financial statements as at 31st March, 2022, the impact of which is dependent on future developments.

Our opinion is not modified in respect of this matter.

Other Information:

The Directors are responsible for the other information. The other information comprises the information included in the annual report—viz. the Directors Report— other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon. In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

The Directors Report is expected to be made available to us after the date of this auditor's report. When we read this report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and take appropriate action as applicable under the laws and regulations.

Responsibility of Management for Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the Annexure 'A', a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

As required by Section 143(3) of the Act, we report that:

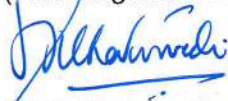

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- (b) In our opinion, proper books of accounts as required by law have been kept by the Company so far as it appears from our examination of those books.
- (c) The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), the Statement of changes in Equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- (d) In our opinion, the aforesaid standalone financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act.
- (e) On the basis of the written representations received from the directors as on 31st March, 2022 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2022 from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended, we are to state that in our opinion and to the best of our information and according to the explanations given to us no remuneration has been paid by the Company to its directors during the year. Accordingly, the provisions of section 197 of the Act do not apply.
- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i The Company does not have any pending litigations which would impact its financial position.
 - ii The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii There were no amounts required to be transferred and accordingly there has been no delay in transfer to the Investor Education and Protection Fund by the Company.
 - iv)
 - (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - (b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner

whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

- (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- v) The Company has not declared/ paid any dividend in the current year. Accordingly, reporting on matters specified in sub-clause (iii) of Rule 11 (e) is not applicable.

ANNEXURE A TO THE INDEPENDENT AUDITORS' REPORT

The Annexure referred to in our Independent Auditors' Report to the members of **Suditi Design Studio Limited** ("the Company") for the year ended March 31, 2022, we report that:

- (i)
- a. (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment except for those under installation.
(B) The Company has maintained proper records showing full particulars of intangible assets.
 - b. According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has a regular programme of physical verification of its Property, Plant and Equipment by which all Property, Plant and Equipment are verified in a phased manner over a period of 3 years. In accordance with this programme, certain Property, Plant and Equipment were verified during the year. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and nature of its assets. No material discrepancies were noticed on such verification.
 - c. According to the information & explanation given to us and on the basis of our examination of the records of the Company, the Company did not own any immovable properties. Accordingly, clause 3(i)(c) of the Order is not applicable.
 - d. The Company has not revalued its Property, Plant and Equipment (Including Right-of use of assets) or intangible assets or both during the year. Hence, para 3(i)(d) of the Order is not applicable to the Company
 - e. In our opinion and according to the information and explanations given to us, there are no proceedings initiated or are pending against the Company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 and rules made thereunder.
- (ii) (a) As explained to us, the inventories of the company have been physically verified at intervals during the year by the management. In our opinion, the frequency of such verification is reasonable and procedures and coverage as followed by management were appropriate. No material discrepancies were noticed on verification between the physical stocks and the book records.
- (b) According to the information and explanation given to us and on the basis of our examination of the records of the Company, the Company has not been sanctioned working capital limits in excess of Rs. 5 crores, in aggregate, from Banks on the basis of security of current assets/property, plant and equipment. Accordingly, clause 3(ii)(b) of the Order is not applicable.
- (iii)(a) According to the information & explanations given to us and on the basis of our examination of records of the Company, the Company has not made any investments, provided guarantee or security or granted any advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties during the year. Accordingly, clause 3(iii)(a) of the Order does not apply.

- (b) According to the information and explanations given to us, no report under sub-section (12) of Section 143 of the Companies Act, 2013 has been filed by the auditors in Form ADT-4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government.
- (c) According to the information and explanation given to us, there were no whistle blower complaints received by the Company during the year.
- (xii) According to the information and explanations given to us, the Company is not a Nidhi Company. Accordingly, clause 3(xii) of the Order is not applicable.
- (xiii) In our opinion and according to the information and explanations given to us, the transactions with related parties are in compliance with Section 177 and 188 of the Companies Act, 2013, where applicable, and the details of the related party transactions have been disclosed in the standalone financial statements as required by the applicable Indian Accounting Standards. (Refer to Note no. 32 to the financial statements).
- (xiv) Based on information and explanations provided to us and our audit procedures, in our opinion, the Company does not have an internal audit system and is not required to have an Internal Audit system as per Section 138 of the Companies Act, 2013 read with Rule 13 of the Companies (Accounts) Rules, 2014. Accordingly, clauses 3(xiv)(a) and 3(xiv)(b) of the Order are not applicable.
- (xv) In our opinion and according to the information and explanations given to us, the Company has not entered into any non-cash transactions with its Directors or persons connected to its Directors and hence, provisions of Section 192 of the Companies Act, 2013 are not applicable to the Company.
- (xvi) (a) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, clause 3 (xvi) (a) of the Order which covers Non-Banking Financial Companies (NBFC's), Housing Finance Companies (HFC's) is not applicable.
- (b) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, clause 3(xvi) (b) of the Order which requires comments on conduct of activities with valid Certificate of Registration (CoR) is not applicable.
- (c) The Company is not a Core Investment Company (CIC) as defined in the Regulations made by the Reserve Bank of India. Accordingly, clause 3(xvi)(c) of the Order is not applicable.
- (d) According to the information and explanations provided to us during the course of audit, the Group does not have any CIC. Accordingly, the requirements of clause 3(xvi) (d) are not applicable.
- (xvii) The Company has incurred cash losses in the current and in the immediately preceding financial year.
- (xviii) There has been no resignation of the statutory auditors during the year. Accordingly, clause 3(xviii) of the Order is not applicable.

- (xix) According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the company as and when they fall due.
- xx) In our opinion and according to the information and explanations given to us, the provisions of Section 135 on Corporate Social Responsibility (CSR) are not applicable to the Company. Accordingly, clauses 3(xx)(a) and 3(xx)(b) of the Order do not apply.

ANNEXURE B TO THE INDEPENDENT AUDITORS REPORT

Report on the Internal Financial Controls with reference to financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls with reference to the financial statements of **Suditi Design Studio Limited** ("the Company") as of March 31, 2022 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's Board of Directors is responsible for establishing and maintaining internal financial controls based on internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India". These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, both issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to the financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to financial statements.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the standalone financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial control with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2022, based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the Institute of Chartered Accountants of India.

ANNUAL REPORT 2021-22

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION

1 Corporate Information

Suditi Design Studio Limited ('the company') was incorporated on 23rd March 2015. The company is in the business of manufacturing of readymade garments and apparels. The company is also in the business of retail sales. The company is promoted by Suditi Industries Limited and its promoters. The company is considered as a subsidiary of Suditi Industries Limited which holds 98.85% of the equity capital in the company as on the balance sheet date. However, the Holding Company has acquired remaining 1.15% of the equity capital in the company and since the process of acquisition has been completed after the year end the holding is shown as 98.85% instead of 100%. Now the Company is a Wholly Owned Subsidiary of M/s. Suditi Industries Limited.

2 Summary of significant accounting policies

2.1 Basis of Accounting

The financial statements of the Company have been prepared and presented in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015. Accordingly, the Company has prepared financial statements which comply with Ind AS applicable for year ending on 31st March 2022, together with the comparative period data as at end for the year ended 31st March 2021, as described in the summary of significant accounting policies.

2.2 Functional and presentation currency

Items included in the financial statements of the Company are measured using the currency of the primary economic environment in which the Company operates ("the functional currency"). Indian Rupees (₹) is the functional currency of the Company.

2.3 Use of Estimates

The preparation of financial statements in conformity of Ind AS requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, the disclosures of contingent assets and contingent liabilities at the date of financial statements, income and expenses during the period. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and in future periods which are affected.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION

2.4 Current vs. Non-Current Classification

The Company presents assets and liabilities in the balance sheet based on current/non-current classification.

An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle
- Held primarily for the purpose of trading
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle
- It is held primarily for the purpose of trading
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The Company has identified four months as its standard operating cycle.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION

2.5 Fair Value Measurement

At each reporting date, the Management analyses the movements in the values of assets and liabilities which are required to be re-measured or re-assessed as per the Company's accounting policies. For this analysis, the Management verifies the major inputs applied in the latest valuation by agreeing the information in the valuation computation to contracts and other relevant documents.

The Management also compares the change in the fair value of each asset and liability with relevant external sources to determine whether the change is reasonable.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

This note summarises accounting policy for fair value. Other fair value related disclosures are given in the relevant notes.

2.6 Revenue from contracts with customers

To determine whether to recognize revenue from contracts with customers, the Company follows a 5-step process:

- 1 Identifying the contract with customer
- 2 Identifying the performance obligations
- 3 Determining the transaction price
- 4 Allocating the transaction price to the performance obligations
- 5 Recognizing revenue when / as performance obligation(s) are satisfied.

Revenue from contracts with customers for products sold and service provided is recognized when control of promised products or services are transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services. Revenue is measured based on the consideration which the Company expects to be entitled to in a contract with a customer and excludes Goods and services taxes and is net of rebates and discounts. No element of financing is deemed present as the sales are made with a credit term of 90-120 days, which is consistent with market practice. A receivable is recognized when the goods are delivered as this is the point in time when the consideration is unconditional because only the passage of time is required before the payment is due.

Further, the Management has also dealt with all the discounts other than trade concession in the Books.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION

2.7 Taxes

Income tax expenses comprises current tax expense and the net change in the deferred tax asset or liability during the year. Current and deferred tax are recognized as and when arises in the statement of profit and loss, except when they relate to items that are recognized in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognized in other comprehensive income or directly in equity, respectively.

Current Income Tax

Current income tax for the current and prior periods are measured at the amount expected to be paid to the taxation authorities based on the taxable income for that period. The tax rates and tax laws used to compute that amount are those that are enacted or substantively enacted by the Balance Sheet Date. In view of continuous losses not tax provision is required in the Books.

Deferred Tax

Deferred tax is recognized on temporary differences at the balance sheet date between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes, except when the deferred income tax arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profit or loss at the time of the transaction.

Deferred income tax assets are recognized for all deductible temporary differences, carry forward of unused tax credits and unused tax losses, to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized.

The carrying amount of deferred income tax assets is reviewed at each balance sheet date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax asset to be utilized. Unrecognized deferred tax assets are re-assessed at each reporting date and are recognized to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax relating to items recognized outside profit or loss is recognized in correlation to the underlying transaction either in OCI or directly in equity.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION

Deferred income tax assets and liabilities are measured at the tax rates that are expected to apply in the period when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the balance sheet date.

2.8 Property, Plant and Equipment

Property, plant and equipment is stated at cost less accumulated depreciation and where applicable accumulated impairment losses. Property, plant and equipment and capital work in progress cost include expenditure that is directly attributable to the acquisition of the asset. The cost of self-constructed assets includes the cost of materials, direct labour and any other costs directly attributable to bringing the asset to a working condition for its intended use, and the costs of dismantling and removing the items and restoring the site on which they are located. Purchased software that is integral to the functionality of the related equipment is capitalized as part of that equipment.

2.9 Depreciation

The depreciation is calculated on SLM method over the estimated useful life of assets prescribed by the Schedule II to the Companies Act 2013 as follows:

Tangible Assets

Assets Classification	Useful life assessed by management
Office & Factory Equipment's	5 years
Furniture & Fixtures	10 Years
Computer & Accessories	3 Years
Electricity installation	10 Years

Intangible Assets

These are amortized as under

Assets Classification	Useful life assessed by management
Computer Software	Over the period of 3 Year

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION

2.10 Borrowing Cost

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

2.11 Contingent Liabilities

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating units (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset. Unless the asset does not generate cash inflows that are largely independent of those from other assets or Company's assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

2.12 Impairment of Non-Financial Assets

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating units (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset. Unless the asset does not generate cash inflows that are largely independent of those from other assets or Company's assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION

2.13 Provisions

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of as past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. When the Company expects some or all of a provision to be reimbursed, for example, under an insurance contract, the reimbursement is recognized as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the statement of profit and loss net of any reimbursement.

2.14 Financial Instruments

Initial Recognition

The Company recognize the financial assets and liabilities when it becomes a party to the contractual provisions of the instruments. All the financial assets and financial liabilities are recognized at fair value on initial recognition, except for trade receivable which are initially recognized at transaction price. Transaction cost that are directly attributed to the acquisition of issue of financial assets and financial liabilities that are not at fair value through profit and loss, are added to the fair value on the initial recognition.

Subsequent measurement

Financial Assets at amortized cost

A financial assets is measured at the amortized cost if both the following conditions are met:

- The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

This category is the most relevant to the Company. All the Loans and other receivables under financial assets (except Investments) are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market. Trade receivables do not carry any interest and are stated at their nominal value as reduced by impairment amount.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION

Financial Assets at Fair Value through Profit or Loss/Other comprehensive income

Instruments included within the FVTPL category are measured at fair value with all changes recognized in the Statement of Profit and Loss.

If the company decides to classify an instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to P&L, even on sale of investment. However, the company may transfer the cumulative gain or loss within equity.

Financial liabilities

The measurement of financial liabilities depends on their classification, as described below.

Loans and borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently recognised through Profit and Loss account as the Company's borrowings are at fixed rates.

Trade & other payable

After initial recognition, trade and other payables maturing within one year from the Balance Sheet Date, the carrying amounts approximate fair value due to the short maturity of these instruments.

Derivative financial instruments

The company does not hold any derivatives financial instruments such as foreign exchange forward and option contracts to mitigate the risk of changes in exchange rates on foreign currency exposures.

2.15 Inventories

(i) Raw materials

Raw materials are valued at lower of cost and net realizable value. However, materials and other items held for use in the production of inventories are not written down below cost if the finished products in which they will be incorporated are expected to be sold at or above cost. Cost is determined on a First in First out basis.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION

(ii) Work in progress and finished goods

Work in progress and finished goods are valued at lower of cost and net realizable value. Cost includes the combined cost of material, labour and a proportion of manufacturing overheads based on normal operating capacity. Cost of finished goods includes excise duty, wherever applicable. Cost is determined on a First in First out basis. Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and to make the sale. During the year under review the management has accounted for the possible depletion in the value of the inventory of finished goods because of the passage of time as the goods remained in the warehouse for longer duration due to the pandemic.

(iii) Stores and Spares

Stores and spares consist of packing materials, engineering spares and consumables (such as lubricants, cotton waste and oils), which are used in operating machines or consumed as indirect materials in the manufacturing process, has been valued using weighted average cost method. The cost comprises of costs of purchase, duties and taxes (other than those subsequently recoverable), conversion cost and other costs incurred in bringing the inventories to their present location and condition. Net realizable value is the estimated selling price in the ordinary course of business less estimated cost to completion and applicable selling expenses.

2.16 Post-employment benefits and short-term employee benefits

(a) Defined contribution plan

Contribution to Provident Fund in India is in the nature of defined contribution plan and are made to a recognized fund. Contribution to Superannuation Fund is in the nature of defined contribution plan and is remitted to insurance company in accordance with the scheme framed by the Corporation. The Company has no legal or constructive obligations to pay contributions in addition to its fixed contributions, which are recognized as an expense in the period that related employee services are received. However, since there are no employees on the roll no such provision is made for the year under review.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION

Provident fund:

The Company makes contribution to the statutory provident fund in accordance with Employees Provident Fund and Miscellaneous Provisions Act, 1952, which is a defined contribution plan, and contribution paid or payable is recognized as an expense in the period in which it falls due. However, since there are no employees on the roll no such provision is made for the year under review.

(b) Defined benefit Plan

Under the Company's defined benefit plans, the amount of benefit that an employee will receive on retirement is defined by reference to the employee's length of service and final salary. However, since there are no employees on the roll no such provision is made for the year under review.

The defined benefit plans are as below

(i) Gratuity

The liability recognized in the statement of financial position for defined benefit plans is the present value of the defined benefit obligation (DBO) at the reporting date less the fair value of plan assets. The Company estimates the DBO annually with the assistance of independent actuaries. This is based on standard rates of inflation, salary growth rate and mortality. Discount factors are determined close to each year-end by reference to high quality corporate bonds that are denominated in the currency in which the benefits will be paid and that have terms to maturity approximating the terms of the related gratuity liability.

Service cost on the Company's defined benefit plan is included in employee benefits expense. Employee contributions, all of which are independent of the number of years of service, are treated as a reduction of service cost. Actuarial gains and losses resulting from measurements of the net defined benefit liability are included in other comprehensive income. However, since there are no employees on the roll no such provision is made for the year under review.

(ii) Leave salary - compensated absences

The Company also extended defined benefit plans in the form of compensated absences to employees. Provision for compensated absences is made on actuarial valuation basis. However, since there are no employees on the roll no such provision is made for the year under review.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION

2.17 Earnings per equity share

Basic earnings per equity share is calculated by dividing the total comprehensive income for the period attributable to equity shareholders (after deducting attributable taxes) by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period is adjusted for events including a bonus issue, bonus element in a rights issue to existing shareholders, share split and reverse share split (consolidation of shares). In this scenario, the number of equity shares outstanding increases without an increase in resources due to which the number of equity shares outstanding before the event is adjusted for the proportionate change in the number of equity shares outstanding as if the event had occurred at the beginning of the earliest period reported. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

2.18 Segment reporting

In accordance with Ind AS 108, Operating Segments, the Company has identified manufacture and sale of fabrics and garments as the only reportable segment. Accordingly, the company has a single reportable segment. Per Para 4 of Ind AS 108 Operating Segments, when entity's financial report contains both the consolidated financial statements of a parent that is within the scope of this Ind AS well as the parent's separate financial statements, segment information is required only in the consolidated financial statements. Hence segment information is disclosed as part of consolidated financial statements for the year ended 31 March 2022.

2.19 Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and demand deposits, together with other short-term, highly liquid investments maturing within 3 months from the date of acquisition that are readily convertible into known amounts of cash and which are subject to an insignificant risk of changes in value.

2.20 Cash flow statement

Cash flows are reported using the indirect method, whereby profit / (loss) before exceptional items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future receipts or payments. In the cash flow statement, cash and cash equivalents includes cash in hand, cheques on hand, balances with banks in current accounts and other short-term highly liquid investments with original maturities of 3 months or less, as applicable.

Summary of Significant Accounting Policies and other explanatory information

During the year 2021-22 the company has started liquidating the old inventory accumulated due to the impact of COVID 19 pandemic and the lock down imposed on account of the pandemic. The company had to offer huge discounts, rebates and other forms of price concessions to liquidate the old inventory of finished goods as the goods have become unsaleable at market prices due to change in fashions and trends. Since the company has incurred substantial losses while disposing of the old stock, the management has decided to value the balance remaining inventory at the best saleable price ranges. Accordingly the company had to make necessary provision to account for the probable loss that may occur while disposing the stock during the current year. The company has made necessary provision amounting to Rs.136.97 lakhs and presented it in the financial statements under the head—"exceptional items".

Details of inventories pledged as security for liabilities is as follows:

Particulars	Amount (Rupees)	Security hypothecated/pledged against

(i) The company has only one class of shares i.e. Equity Shares having a face value of Rs. 10 each. The equity shareholders are entitled to dividend only if dividend in a particular financial year is recommended by the Board of Directors and approved by the members at the annual general meeting of that year. In the event of liquidation of the Company, the holders of equity shares will be entitled to receive any of the remaining assets of the Company, after distribution of all preferential amounts. The distribution will be in proportion to the number of equity shares held by share holders.

(ii) The Company commenced its business activities with an Issued and Paid up Capital of Rs.5 Lacs in the month of April 2016. Subsequently in the month of February 2016, the Company further issued 8,20,000 shares amounting to Rs.82,00,000/- on Right Basis to the existing shareholders. Entire issue is subscribed by Suditi Industries Limited as all other Shareholders relinquished their rights in favour of Suditi Industries Limited. Further, the Holding Company M/s. Suditi Industries Limited has acquired 100% of the Share Capital. The process of acquisition has been completed after 31/03/2022. Accordingly the Company has become the Wholly Owned Subsidiary of M/s. Suditi Industries Limited.

33 Earnings per Share

Basic earnings per share has been calculated by dividing profit for the year attributable to equity shareholders, by the weighted average number of equity shares outstanding during the year. Diluted earnings per share has been calculated by dividing profit for the year attributable to equity shareholders, by the weighted average number of equity shares outstanding during the year and also the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares. Dilutive potential equity shares are deemed converted as of the beginning of the year, unless they have been issued at a later date. Dilutive potential equity shares that have been converted in to equity shares during the year are included in the calculation of diluted earnings per share from the beginning of the year to the date of conversion and from the date of conversion, the resulting equity shares are included in computing both basic and diluted earnings per share. Earnings per Share has been computed as under:

	For the period ended	
	31st March, 2022	31st March, 2021
Profit for the year: Amount (Rs. in Lakhs)	<u>(110.58)</u>	<u>(218.12)</u>

Earnings per Share (Rs. per Equity Share of Rs. 10 each)		
Basic	(12.71)	(25.07)
Diluted	(12.71)	(25.07)

Summary of Significant Accounting Policies and other explanatory information

34 Financial Risk Management Objectives & Policy

The Company's principal financial liabilities comprise loans and borrowings, trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations. The Company's principal financial assets include loans, trade and other receivables, and cash and cash equivalents that derive directly from its operations. The Company also holds FVTPL investments. The Company is exposed to market risk (including foreign currency risk, interest rate risk and commodity risk, etc.), credit risk and liquidity risk. The Company's senior management oversees the management of these risks. The Board of Directors reviews Financial Risk Management Policy for managing and mitigating these risks, which are summarized below:

1) Market Risk

Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from change in the price of a financial instrument. The value of a financial instrument may change as a result of change in the interest rates, foreign currency exchange rates, equity prices and other market changes may affect market risk sensitive instruments. Market risk is attributable to all market risk sensitive financial instruments and deposits, foreign currency receivables, payables and loans and borrowings. Market risk comprises mainly of risks related to changes in foreign currency exchange rates, commodity prices and interest rates. The Company has a moderate risk management system monitored by Risk Management Team to inform Board Members about risk management and minimization procedures.

a) Foreign currency risk management

The Company's functional currency is Indian Rupees (INR). The Company is not having any significant foreign transactions; hence the company is not prone to foreign currency risks as on the date of the balance sheet.

b) Interest Rate Risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company is exposed to interest rate risk because funds are borrowed at both fixed and floating interest rates. Interest rate risk is measured by using the cash flow sensitivity for changes in variable interest rate. The borrowings of the Company are principally denominated in rupees with a mix of fixed and floating rates of interest. The Company has exposure to interest rate risk, arising principally on changes in base lending rate. The Company uses a mix of interest rate sensitive financial instruments to manage the liquidity and fund requirements for its day-to-day operations. The Company regularly scans the Market & Interest Rate Scenario to find appropriate Financial Instruments & negotiates with the Lenders in order to reduce the effect Cost of Funding. The risk is managed by the Company by maintaining an appropriate mix between fixed and floating rate borrowings.

The following table provides a break-up of the Company's fixed and floating rate borrowings:

Particulars	Amount (Rs. in Lakhs)	
	As at March 31, 2022	As at March 31, 2021
Loans in Rupees		
a) Fixed Rate borrowings	23.47	109.00
b) Floating Rate borrowings	-	-
Sub-Total		
Add: Upfront Fees		
Total Borrowings	23.47	109.00

Summary of Significant Accounting Policies and other explanatory information

Interest Rate Sensitivity :

The following table demonstrates the sensitivity to a reasonably possible change in interest rates on financial assets affected. This is mainly attributable to the Company's exposure to interest rates on its variable rate borrowings. With all other variables held constant, the Company's profit / (Loss) before tax is affected through the impact on finance cost with respect to our borrowing, as follows:

Particulars	As at March 31, 2022	As at March 31, 2021
Change in basis Points	25	25
Effect on profit / (loss) before tax	(0.06)	(0.27)
Change in Basis Points	-25	-25
Effect on profit / (loss) before tax	0.06	0.27

c) Commodity price risk:

The Company's revenue is exposed to the market risk of price fluctuations related to the sale of its products. Market forces generally determine prices for the products sold by the Company. These prices may be influenced by factors such as supply and demand, production costs (including the costs of raw material inputs) and global and regional economic conditions and growth. Adverse changes in any of these factors may reduce the revenue that the Company earns from the sale of its products.

The Company primarily purchases its raw materials in the open market from third parties. The Company is therefore subject to fluctuations in prices for the purchase of raw materials. The Company purchased substantially all of its iron ore and coal requirements from third parties in the open market during the year ended 31 March 2021.

The Company aims to sell the products at prevailing market prices. Similarly the Company procures key raw materials based on prevailing market rates as the selling prices of its products and the prices of input raw materials move in the same direction.

2) Credit risk management:

Credit risk refers to the risk that a counterparty will default on its contractual obligations resulting in financial loss to the Company. Credit risk encompasses both, the direct risk of default and the risk of deterioration of creditworthiness as well as concentration risks. The Company has adopted a policy of only dealing with creditworthy counterparties and obtaining sufficient collateral, where appropriate, as a means of mitigating the risk of financial loss from defaults. Company's credit risk arises principally from the trade receivables and financial instruments and deposits with banks.

Trade receivables:

Customer credit risk is managed centrally by the Company and subject to established policy, procedures and control relating to customer credit risk management. Credit quality of a customer is assessed based on an extensive credit rating scorecard and individual credit limits defined in accordance with the assessment. Credit risk on receivables from organized and bigger buyers is mitigated by securing the same against letters of credit and guarantees of reputed nationalized and private sector banks/ part advance payments/post dated cheques.

Summary of Significant Accounting Policies and other explanatory information

Trade receivables consist of a large number of customers spread across diverse industries and geographical areas with no significant concentration of credit risk. No single customer accounted for 10% or more of revenue in any of the years indicated.

The outstanding trade receivables are regularly monitored and appropriate action is taken for collection of overdue receivables. The outstanding from the trade segment is secured by two tier security – security deposit from the dealer himself, and our business associates who manage the dealers are also responsible for the outstanding from any of the dealers in their respective region. Impairment analysis is performed based on historical data at each reporting period on an individual basis.

Ageing of Trade Receivables:

Particulars	Amount (Rs. in Lakhs)	
	As at March 31, 2022	As at March 31, 2021
Upto 6 Months	5.34	-
More Than 6 months	334.27	346.24
Grand Total	339.61	346.24

Financial Instruments and Deposits with Banks:

The Company considers factors such as track record, size of institution, market reputation and service standards to select the bank with which balances and deposits are maintained. Generally, balances are maintained with the institutions with which the Company has also availed borrowings. The Company does not maintain significant cash and deposit balances other than those required for its day to day operation.

3) Liquidity risk management

Liquidity risk refers to the risk of financial distress or extraordinary high financing costs arising due to shortage of liquid funds in a situation where business conditions unexpectedly deteriorate and requiring financing. The Company requires funds both for short term operational needs as well as for long term capital expenditure growth projects. The Company generates sufficient cash flow for operations, which together with the available cash and cash equivalents and short term investments provide liquidity in the short-term and long term. The Company has established an appropriate liquidity risk management framework for the management of the Company's short, medium and long-term funding and liquidity management requirements. The Company manages liquidity risk by maintaining adequate reserves, banking facilities and reserve borrowing facilities, by continuously monitoring forecast and actual cash flows, and by matching the maturity profiles of financial assets and liabilities. The following tables detail the Company's remaining contractual maturity for its non derivative financial liabilities with agreed repayment periods and its non-derivative financial assets. The tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Company can be required to pay. The tables include both interest and principal cash flows. To the extent that interest flows are floating rate, the undiscounted amount is derived from interest rate curves at the end of the reporting period. The contractual maturity is based on the earliest date on which the Company may be required to pay.

35 Capital Risk Management

The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. The Company's primary objective when managing capital is to ensure that it maintains an efficient capital structure and healthy capital ratios and safeguard the Company's ability to continue as a going concern in order to support its business and provide maximum returns for shareholders. The Company also proposes to maintain an optimal structure to reduce the cost of capital as well as to maintain proper leverage.

For the purpose of the Company's capital management, capital includes issued capital, securities premium and all other equity reserves. Net debt includes, interest bearing loans and borrowings, less cash & cash Equivalents.

Particulars	Amount (Rs. in Lakhs)	
	As at March 31, 2022	As at March 31, 2021
Long term borrowings	23.47	104.00
Current maturities of long term debt and finance lease obligations		
Short term borrowings		
Less: Cash & Cash Equivalents	2.13	1.28
Less: Bank balances other than cash and cash equivalents		
Less: Current investments		
Net debt (A)	21.33	102.72
Equity Share Capital	87.00	87.00
Other Equity	(586.58)	(476.00)
Total Capital (B)	(499.58)	(389.00)
Capital & Net debt (C = A+B)	(478.25)	(286.28)
Gearing Ratio (A / C)	-4%	-36%

The Company monitors capital using a gearing ratio, which is Net Debt divided by Total Capital plus Net Debt. Net Debt is calculated as total borrowings including short term and current maturities of long term debt.

36 Fair Value of Financial Assets & Liabilities

A. Financial Liabilities				
(i) At Amortised Cost				
Total				

Fair Valuation Techniques

1. Fair Value of Security Deposit is calculated after discounting it using the RBI Rate as on the reporting date.

Summary of Significant Accounting Policies and other explanatory information

37 Contingent Liabilities

	As at 31st March, 2022 Amount (Rs. in Lakhs)	As at 31st March, 2021 Amount (Rs. in Lakhs)
(a) Claims against the company not acknowledged as debts		
(i) Sales tax/ CST / VAT matters	8.40	68.16
(ii) MSME	2.77	2.77
	11.18	70.94

38 The Company even though has commenced the business in full swing from 2015-16 itself, the company is not able to record adequate sales business due to the effect COVID 19 pandemic. Since the company registered significant losses due to depletion in the value of finished goods stock as on 31st. March 2022, the net worth of the company is completely eroded due to the loss. The scope for any immediate revival is not possible as the country is not completely free from the impact of the COVID 19 pandemic. In view of this the management has decided to value the remaining finished goods inventory at cost price and accordingly made necessary provision amounting to Rs.136.97 lakhs towards depletion in the value of the old inventory which is reflected in the accounts under the head "exceptional items". Considering the evolving situation, the holding company has decided to make the company a wholly owned subsidiary and accordingly has acquired the remaining 1.15% equity from the promoters of the subsidiary at face value amounting to Rs.1 lakh. The process of conversion of the partly owned subsidiary company into wholly owned subsidiary is now complete. With the improvement in market sentiments, there are reasonably good chances of better sales in the current year. Accordingly the management has considered it appropriate to continue the company as a going concern.

39 a) Even though there are some respite from the disruptions due to Covid 19 impact in the business particularly from the last quarter, it has already created serious crisis in the economies of many countries. Added to this the global economic and business environment is also severely impacted due to the ongoing armed conflict in the Eastern European region. The country is not completely free from the COVID 19 pandemic and its impact still continues to affect the business prospects adversely. The Global supply chain is again adversely impacted due to spread of virus in China and its neighbouring regions. Because of the surge in the pandemic there is a huge uncertainty with respect to its longevity, severity, and fall out in the post pandemic period which cannot be reasonably ascertained. The Company has evaluated and factored all the possible effects in its working including the likely impact that may result from the COVID-19 pandemic as well as all events and circumstances up to the date of approval of these financial results on the carrying value of its assets and liabilities as at 31st March, 2021 in the best possible manner.

b) However, the impact assessment due to COVID-19 is still an on-going process given the uncertainty associated with the nature and duration. The Company will continue to monitor any material changes as the situation evolves.

40 Other disclosures as required by the amendments made in Schedule III of the Companies Act, 2013

(a) The Company did not have any transactions with struck off companies during the year under Section 248 or 560 of the Companies Act, 2013.

(b) The Company did not hold any benami property during the year.

(c) Neither any charges were created on the assets of the company during the year with the Registrar of companies nor was satisfaction of any charge pending beyond the stipulated period.

(d) The Company has not been declared as a wilful defaulter by any bank or financial Institution or other lender.

(e) The Company did not deal in any manner whatsoever with crypto currency/virtual currency during the year.

Summary of Significant Accounting Policies and other explanatory information

- (f) No loans/advances were given to promoters, directors, KMPs & other related parties that were payable on demand or without specifying any terms & conditions.
- (g) The Company neither declared nor paid any Dividend during the financial year. Hence, disclosure under provisions of Section 123 are not applicable.
- (h) The Company has not availed any Loans from Banks & Financial Institutions till date.
- (i) The Company does not hold any Immovable property as at 31st March 2022.
- (j) The Company does not have any transaction which is not recorded in the books of accounts that has been surrendered or disclosed as income in the tax assessments under the Income Tax Act, 1961 such as search, survey or any other provisions of the Income Tax Act, 1961.
- (k) The Company has not advanced/loaned/invested funds to any other person(s) or entity(ies), including foreign entities (intermediaries) with the understanding (whether recorded in writing or otherwise) that the intermediary shall:
- (i) directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company (Ultimate Beneficiaries) or
 - (ii) provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries
- (l) The Company has not received funds from any other person(s) or entity(ies), including foreign entities (funding party) with the understanding (whether recorded in writing or otherwise) that the Company shall:
- (i) directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the funding party (Ultimate Beneficiaries) or
 - (ii) provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries

41 The Financial results have been presented in accordance with the amended Division II of Schedule III to the Companies Act, 2013. Certain Balances of assets and liabilities as at March 31, 2021 have been regrouped/reclassified, wherever necessary, to comply with the amended Division II of Schedule III. Such reclassifications did not have a material impact on the financial results.

42 Events after the reporting date

No other adjusting or significant non-adjusting events has occurred between the reporting date (31st March, 2022) and the report release date (27th May, 2022) except the following :

(a) Suditi Design Studio Limited has become a wholly owned Subsidiary (100%, Previously 98.85%) of the company after the reporting date upon compliance of pending formalities.

43 The previous period figures have been regrouped / reclassified, wherever necessary to conform to the current period presentation.
